Statement: The EU GDPR is a comprehensive privacy regulation applying across all business types and sectors. It creates a complexly new legal framework for the collections, processing, use, storage, transfer and destruction of personal data. Our club is committed to the protection of data relating to its employees, members, contractors and vendors with controls and compliance oversight to ensure that data is held & used appropriately.

I am satisfied that the information provided in this application will be kept confidential and in a secure environment.
